

INFORMS STUDENT VIDEO CONTEST AGREEMENT & RELEASE FORM

By signing below participants agree to the contest rules. Please ensure that the form is completed and all participants have signed before returning.

1. The name of the university or student chapter will identify the video. If more than one video is submitted from the same university or student chapter, student names may also be used. INFORMS will not release any further personal details of the students involved, except to the extent of the information is contained in the video.
2. Participants allow INFORMS the right to edit, publish, and make derivative works of their submitted video entry, as determined by the contest committee. Participants allow INFORMS the right to use their image. Participants will have no right to approval.
3. The video may appear on INFORMS' websites, social media outlets, and other official publications.
4. Use of the submitted video is completely at the discretion of INFORMS.
5. The submitted video is an original work. No copyrights have been infringed in its production.
6. INFORMS will not return the submission and has no obligation to retain it. Therefore, participants should keep a copy of what is sent.
7. INFORMS will not make any payment to the participants or any third party for usage of the video.
8. All participants must sign this form, including a "lead student," who will be the main contact person for the video entry, as well as all other students who appear in the video or are involved in its production.
9. This form must be submitted along with the video in order for the video to be judged.
