

## NSPRA Social Media – COVID Updates Examples

 gcschoolsnc ⋮

 gcschoolsnc Since March 16, we've served more than 79,000 meals to families. We are so thankful to continue to serve our families in this way even though school buildings are closed. A big GCS THANK YOU to all who are coming together to make this happen — like GCS's Karen Newman. Here, Karen helps deliver a meal to a wheelchair-bound resident in Brown Summit's Autumn Forest neighborhood. #KeepLearningGCS #GCSCovid19 #lookforthehelpers #bettertogether #wegotthis #loveourstudents

gcschoolsnc ...

gcschoolsnc Our custodial staff members are working hard in all of our schools to ensure they are well sanitized. Today we want to thank Brown Summit Middle School custodians Tyrus Thomas (a 13-year GCS employee) and Gary Haith (a 12-year employee) — and all of our staff members who are conducting deep cleanings of our buildings so that we'll be ready when classes can resume. #KeepLearningGCS #GCSCovid19 #bettertogether #wegotthis #loveourstudents

**Guilford Co. Schools**  
@GCSchoolsNC

Doing our best to support students w/immediate shift into online learning, ongoing provision of meals, emotional support & Internet access. Grateful for our communications engineering team—16 locations so far where families can access the internet!
