loss of
taste or
smell

muscle pain

Health Screenings & Tool Tips

As part of the reopening process, we are mandated to implement health screenings, including temperature checks, of students, employees, and where applicable, contractors, vendors, and visitors to identify any individuals who may exhibit early warning signs associated with COVID-19.

Please complete the health screening tool each day that you are scheduled to physically report to the workplace at least one (1) hour prior to your start time: <https://www.pnwboces.org/covid>
