Seneca Valley Social Media

The Seneca Valley School District is extremely proud of the students and staff members in our District, and the good work they accomplish in our schools. For this reason, Seneca Valley social media accounts were created with the intent to share positive news and K-12 events directly related to the District.

We have active accounts on Facebook, Twitter, Instagram, YouTube and Snapchat. Our followers include students, parents, staff, alumni, relatives and community members from all over the world. The pages have generated much interest and now hold a combined total of 19,000 plus followers; a number which grows daily!

**Use our hashtags #SVRaiderPride, #SVProud!**

It is our hope that the replies and posts on our social media sites will be positive, constructive and insightful. To ensure the quality of the discussions taking place, our team will review all comments and remove as necessary. This includes any comments that are religious, political, overly promotional, disrespectful or off-topic. Please know we reserve the right to delete using **District Policy, Social Media 901.1**.

To keep this purpose on track, we do not allow posts or comments of a religious or political nature. These will be deleted. Additionally, we do not allow for personal attacks, bullying behavior or vulgarity. If you have a complaint about SV, you can send the information via a private message, call Linda Andreassi, communications director, at (724) 452-6040, ext. 1612 or email her at andreassill@svsd.net.

No spam or for-profit advertising is to be posted by followers at any time. These posts will also be deleted.

The Seneca Valley Administration reserves the right to ban individuals from the page who violate any of the guidelines noted here.
