Attention MPS Families!!

Leading up to the 100th day of school, we are participating in a fundraiser on behalf of the Leukemia and Lymphoma Society. We are encouraging the collection of 100 cents from every MPS family. The Leukemia and Lymphoma Society's mission is to fight and cure all blood cancers. Collection buckets will be in the hallways. We will dump the change buckets at our 100th Day of School P2 Matter Meeting, so the students can see how much we collected! Thank you for helping MPS support other.
