It's #NationalSchoolBusSafetyWeek! To celebrate, we are highlighting exemplary employees from our #RocklandBOCES Transportation Department who ensure the bus rides to and from school each day are safe and enjoyable. Meet the team of Chris Ross and Milagros "Millie" Cimino, a driver/attendant duo for our District-Based students. Their shared values – the importance of family, being punctual and having good communication – are reflected in their interactions with students and parents. With nearly two decades of combined experience, students know they can trust Chris and "Mama Millie" with their feelings, thoughts and well-being. #BOCESproud #STOPAndSayThankYou #NSBSW National Association for Pupil Transportation
