

# Infographic

Lexington County School District One  
100 Tarrar Springs Road  
Lexington, SC 29072  
(803) 821-1151  
lheld@lexington1.net

## Week One by the Numbers

### **Audience:**

Lexington District One parents/guardians, students, staff, Board of Trustees and the Lexington County community

---

### **Intent of Purpose:**

The infographic showed, in a simple, easily digestible way, the extensive work that took place during the first week of the 2020–2021 school year. We hoped that by showing the volume of work, we could offset frustrations by some stakeholders. We also wanted to highlight the hard work of our employees during an unprecedented pandemic. We shared how many meals were served, how many helpdesk requests our IT department received, as well as other helpful information, the number of Zoom meetings held and more interesting information.

---

### **Method of Delivery:**

This flyer was shared on social media, in an Inside Voice issue and on our website. The flyer was shared more than 110 times on Facebook, receiving 294 likes and 78 comments.

# Week One by the Numbers

Students enrolled

**27,251**

Face-to-face students

**AA** 9,934  
students

**BB** 9,704  
students

Online Learning  
Academy students
