[Stop signal] ... cut .. I got this Doc.

You've heard of Kid President, right?!

Well, I'm a Kid Superintendent ...

... And I think we all need a pep talk.

---

[Sigh] ... the past couple of months haven't been easy, huh?

A global pandemic.

Politics.

Social unrest.

Earthquakes.

Fire-nadoes.

Tiger King. [That show was not what I thought it was about!]

Your glasses fogging up when you wear your masks.

Fighting over toilet paper.

The mute-unmute button. [YOU'RE ON MUTE!!!]

Spotted Latternflies and Desert Locusts ... and Murder Hornets

– [I mean, where did those even come from, man?]

---

You get the idea ....

---

2020 has been kicking our butts. [I can say butts, right?]

---

It's OK to feel overwhelmed right now ...

Or anxious ....

Or nervous about remote learning ... [Your bitmojis look  
awesome by the way!]

Or maybe you're worried about students ... [I'm worried about  
myself and everybody else.]

But, remember ... we're all doing the best we can.

And that's all that matters.

Kids aren't looking for perfection – we're just looking for you to  
be present. [I know that because I'm a kid.]

---

So let's be good humans ... [unless you're an insect or blob fish]

And sprinkle kindness ... [by the way, I hate sprinkles]

And give each other grace, not grief.

Because we're all in this together,

And we've got to support each other.

But you know this already cuz that's what people do ...

You're resilient and resourceful.

When times get tough, you know how to pull together.

[No cap.]

---

And there is still plenty of good stuff in the world, right ...

We've got Cinnamon Toast Crunch. [I see you!]

And Lizzo – my mom likes her music A LOT. [A LOT.]

And funny TikTok videos.

Oh, and .... Sharpie Markers [gotta love those!]

And we've got YOU ... you are good.

No scratch that.

YOU ARE GREAT!

We need you here.

No matter your job, you each have something amazing and special to offer.

And you can do “virtually” anything [Get it?! Virtually? It’s a joke!]

Seriously, you can do this!

You are the champion Rita Pierson was talking about.

I believe in you ....

And I know you’ll stay #RSDproud, no matter the distance

---

It’s kinda like Doc was trying to say

Two roads diverged in a wood,

and, right now ... we gotta take the one less traveled ... [you

know, uncharted territory and all]

I know it might be a little scary. [Actually a lot scary.]

But, you got this.

Put on your favorite fuzzy socks [--no one can see your feet on

Google Meet] [But still wear your pants] – and press forward

with a positive attitude.

It is going to make all the difference. [heart symbol]
