

## **Seneca Valley Social Media**

### **#SVTogether**

The Seneca Valley School District is extremely proud of the students and staff members in our District, and the good work they accomplish in our schools. For this reason, Seneca Valley social media accounts were created with the intent to share positive news and K-12 events directly related to the District.

We have active accounts on Facebook, Twitter, Instagram, YouTube and Snapchat. Our followers include students, parents, staff, alumni, relatives and community members from all over the world.

The pages have generated much interest and now hold a combined total of 18,000 plus followers; a number which grows daily!

In March, due to the closure, we started the hashtag and Instagram Stories series #SVTogether as a way to continue celebrating our students, staff and schools.

Parents, students and staff submitted amazing photos and videos of online learning, creative teaching and community service that helped spread the SV love during our time apart and reminded us that we are all in this together.

You can see more of the hashtag used by clicking the links below:
