LET’S KEEP STPPS HEALTHY: COVID-19 SIGNAGE CATALOG

STPPS Administrators,

In preparation of the 2021-2022 school year, we have updated our catalog of district-branded COVID-19 safety signage to use at schools and support sites. The following pages include the entire catalog of sign offerings that can be printed by Graphic Arts. PDFs are also available on Moodle under Communications Department for you to print at your school.

All signs will be printed on white cardstock ONLY. No customization of colors, school logo, etc., is available and we are unable to laminate them to maximize Graphic Arts’ bulk printing orders.

Signs can be delivered through the STPPS Courier or someone from your school may pick them up at Graphic Arts when they are ready.

To place an order, complete the order form enclosed in this catalog and email to Greg Crane (greg.crane@stpsb.org) at Graphic Arts.

We hope this catalog is helpful to your school and/or support site as we prepare together for a safe start to the 2021-2022 school year.
