

# P·TECH OHM

Students can...

- begin college courses in 9th grade.
- earn a Regents diploma.
- earn an associate's degree at no cost.
- receive a Chromebook through our paperless program.
- work in a technology-rich environment.
- participate in extracurricular activities through both P-TECH OHM and their home district.
- benefit from a small student-to-teacher ratio and highly individualized education.
- work with business and industry partners.
- become career ready through mentoring, job shadowing and internships.
