We begin a new school year with a feeling of possibility and potential. We begin more committed than ever to igniting passions, inspiring excitement for learning, and creating a sense of belonging for each member of our learning community. The SLP experience is defined by personalization because learning is personal for each of us. Personal does not mean alone. Developing the skills necessary to succeed now and in the future takes each of us working together. Students, staff, families, community members – together, we are set to soar.

High expectations, high achievement for all. No excuses.

“To have a strong sense of community, that community needs to be filled with individuals with great character. I’ve always been proud to say I’m a teacher and a coach at SLP, because I know what stands behind it. Developing an individual’s character inside the classroom or out on the field is what sets us apart. I’m proud to be a part of that process.”

Our child care program includes Learning Ventures before- and after-school care, Discovery Days for 3 and 4 year olds, school release day care, and summer programming. SCHOOL NEWSLETTERS
Each week during the school year, on Wednesdays, each school sends a family newsletter that includes important information and updates from your child’s school.

SCHOOL / SEESAW
Spring Lake Park Schools use two different systems to support the processes of learning. See-saw is where teachers share updates and learning progress and examples with families of students in grades K-2. Schoology is where students submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests and write academic blogs. Parents also have login information that allows access to Schoology.

FOR PARENTS AND FAMILIES
We communicate with parents and families using email, voicemail and text messages. Please make sure your contact information is up-to-date so you don’t miss any important information.

PARENT HUB – SpringLakeParkSchools.org/Parents
A one-stop shop on the district website full of tools needed to keep you up-to-date and engaged with your child’s school experience. The hub includes links to any systems you may need access to and brings together the most important connections to your school and classroom(s), including: learning management systems, Campus Parent Portal, technology tools, resources and login, links to weekly school newsletters, lunch menus and more.

CAMPUS PARENT PORTAL
The portal provides online access to secure and timely information about class schedules, attendance, report cards and transcripts. This also is where you can update contact information to make sure you are receiving messages from your school and your child’s teacher(s).

SOCIAL MEDIA
Don’t miss a moment of Panther pride. Follow and engage with us on Facebook, Twitter, Instagram, Flickr and YouTube. Find links and details at: SpringLakeParkSchools.org/SocialMedia. While we do not use social media to communicate news and information directly to families, we do use social to share moments that make us #SLP PantherProud.
