## Virtual Community Event – Art Show

April 1, 2020

### Email for Art Teachers

Dear Students,

Pittsford Schools is hosting a Virtual Community Event on Wednesday night to bring the Pittsford Schools community together. The event will be a Virtual Art Show that will take place on the Pittsford Central School District Facebook page on Wednesday, April 1 at 7pm. The District will post the opening of the art show on Facebook at this time and invites everyone to share their artwork.

If you would like to participate in the Virtual Art Show, upload a photo of your artwork to the comments section of the Pittsford Schools Facebook post. It can be something new you've created or a piece of artwork that you created earlier this school year.

I encourage you to be creative and make something you'd love to share with the rest of the Pittsford Schools community. I look forward to seeing all of the wonderful artwork during the Virtual Art Show on Wednesday, and remember to invite your local and out-of-town family and friends to join us!

Sincerely,

[NAME]
