IT’S TIME TO OPEN THE DOOR TO EXPLORING YOUR INTERESTS TO PURSUING YOUR PASSIONS TO FINDING YOUR FIT MINNETONKA HIGH SCHOOL REGISTRATION PLANNING 2022-23

WELCOME

As we prepare for course registration for the 2022-23 school year, we are focused on helping students and families understand the myriad academic options at Minnetonka High School. From programs such as Advanced Placement, Dual and International Baccalaureate, to Chinese and Spanish Language Immersion, Minnetonka Research, VANTAGE Advanced Professional Studies, Torka Online courses, and courses in the trades through MACTEC, it’s all available. The Minnetonka High School registration process is one of the most critical times of the year. Through engaging virtual and in-person information meetings and events, class presentations and staff encouragement, we endeavor to support students as they identify areas of passion, explore all course options and find the right fit for their upcoming academic year.

Families and students: Open this booklet, highlight programs of interest, mark your calendars and discuss academic options. Together, we can help all MHS students reach new levels of personal excellence of which they can feel proud.
