Company Profile

BLP provides housing warranty insurance, commercial latent defects insurance and consultancy services including for PRS and Build To Rent. Underwritten by Allianz Global Corporate & Specialty, an AA rated global insurer, our cover has a one-off cost with no annual membership fee, no additional security and no financial bonds.

Our unique, data rich life cycle modelling methodology can reduce the maintenance and replacement costs of developments. We ensure value for money and protect your investment; you are the beneficiary of the insurance and our in-depth technical review is designed to help minimise defects and maximise the longevity of your assets.
